Dear Branch Members,

My name is Glenda Rizzuto. I am the Volunteer Coordinator for the 2012 AGM Event in Mildura.

The support of many volunteers is vital to the successful staging of the AGM Event and I am asking you all to consider helping out. Every shift or part shift that you volunteer for will spread and lighten the load. "Many hands make light work" is truly the right proverb here.

Volunteers with or without experience and expertise are needed before, during and after the event. Whether you are available for one shift or all week, we need you.

A Volunteer Branch or Group of friends working together as a team would be really useful in areas such as Marshals & Ushers in the Check-In area, Car park or the start and finish of the Grand Parade, letter box drops, pre event set-up or post event clean up in the camping and traders areas and the tables and chairs in the Hoecker. The Broken Hill Branch have volunteered to cover the Decorations and your branch may feel that together as a group they can participate by covering another area of the Event.

Please support your club, have a look at the volunteer form and remember that the answer to the question "Am I needed?" is always "YES".

Regards,

Glenda Rizzuto
